Is It Your Own Hair?

Do you pin your hat to your own hair? Can't do it? Haven't enough hair? It must be you do not know Ayer's Hair Vigor! Here's an introduction! May the acquaintance result in a heavy growth of rich, thick, glossy hair! And we know you'll never be gray.

"I think that Ayer's Hair Vigor is the most wonderful hair-grower that was ever made. I have used it for some time and I can truly say that I am greatly pleased with it. I have recommended it as a splendid preparation."—Miss V. Brock, Wayland, Mich.

The Rivers and Harbors Committee of the House has reported in favor of a bill appropriating \$33,466,135, being the largest in amount ever recommended to Congress by that committee. Of this amount \$34,631,612 is to be available July 1, 1907, and July 1, 1908, and the remainder, \$48,834,523, is authorized for continuing contracts without limit as to when it shall be expended. One-fourth of the entire amount is for the benefit of the great lakes, the region in which Chairman Burton, of Cleveland, is most interested. ALWAYS TO BE DEPENDENT UPON
When a person gets up in the morning with a full head and a tired stretchy feeling, it is an almost certain indication that the liver, or bowels, or both, are decidedly out of order.

At such times Nature, the wisest and best of all doctors, takes this means to give warning that she needs the help and gentle assistance which can best be obtained from that old family remedy, Brandreth's Pills, which has been in use for over a century.

They are the same fine laxative little pill your grandparents used, when doctors were few and far between and when people had to have a remedy that could absolutely be depended upon.
Brandreth's Pills can be depended upon and are sold in every drug and medicine store, either plain or sugar-coated.

THE ORIGINAL POROUS PLASTER.
It's Alcock's, first introduced to the people sixty years ago, and today undoubtedly has the largest sale of any external remedy—millions being sold annually throughout the whole civilized world. There have been imitations, to be sure, but never has there been one to even compare with Alcock's—the world's standard external remedy.

For a week back, cold on the chest or any local pain, the result of taking cold or over-exertion, there's nothing we know of to compare with this famous plaster.

IN MEMORY.

Death visited the home of Mr. and Mrs. Everett Hensley and took from them their darling little boy, aged 4 years, 7 months, and 2 days. His death was due to membranous croup. He was a bright and thoughtful little fellow in every way, and always ready to help his mother and papa.

Listen father and mother, hear your little Raymond's voice, "I am safe in the arms of Jesus and with angels. I rejoice that my hours of pain are over and from earthly cares. I am free though I may not come to but you may come to me."

It is healthful and moral, has access to two railroads and slackwater navigation, natural gas, water works, and all modern facilities. Its citizens have awakened to the advantages possessed by the town and are going after desirable enterprises. This means growth and development.
